Mr. Allen W. Dulles
c/o Sullivan & Cromwell Law Firm
48 Wall Street
New York, New York

Dear Mr. Dulles:

I have to be in New York on business on the 10th, 11th, 12th and possibly the 14th of March and I am wondering if it would be possible for me to see you sometime during that period at your convenience.

I don't want to borrow any money or have you sign any notes so you need not be alarmed but I should like to discuss with you principally certain phases of your Board report.

Kindest regards and every good wish both to you and all members of your firm who will admit knowing me.

Sincerely,

CARTER W. CLARKE
